## *Foreword*

As the second year of activities at Lubbock Christian College draws to a close, the 1959 El Explorador Staff hopes that this book will be a fitting reminder of these activities.

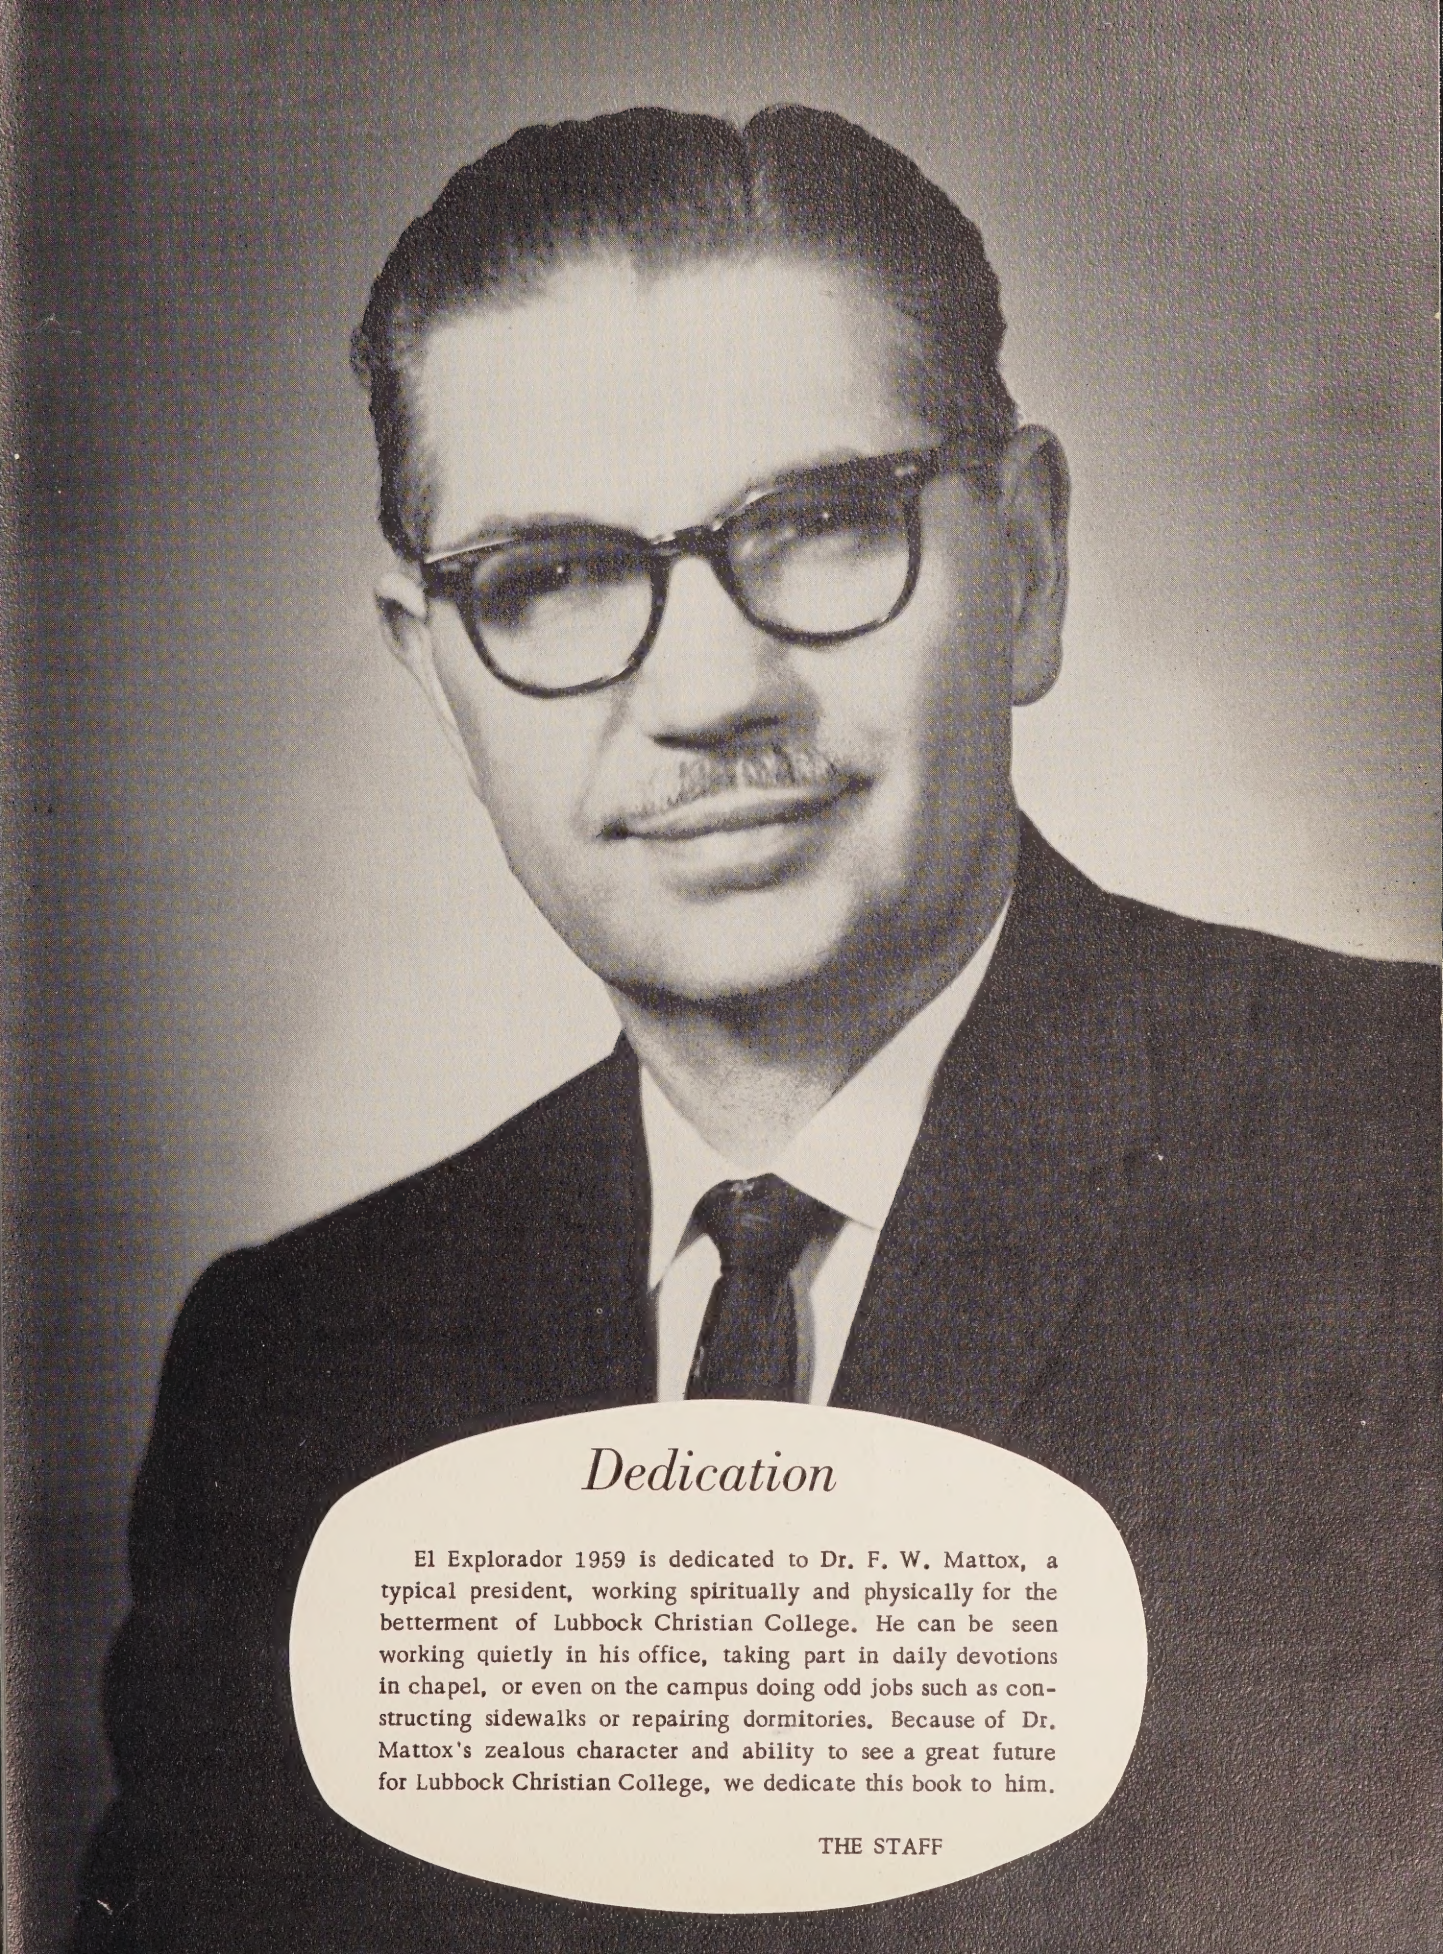

We hope it will bring you pleasing memories of the good times you enjoyed, the friends you made, and the part that you played in helping to make L.C.C. a better school.

## *Dedication*

El Explorador 1959 is dedicated to Dr. F. W. Mattox, a typical president, working spiritually and physically for the betterment of Lubbock Christian College. He can be seen working quietly in his office, taking part in daily devotions in chapel, or even on the campus doing odd jobs such as constructing sidewalks or repairing dormitories. Because of Dr. Mattox's zealous character and ability to see a great future for Lubbock Christian College, we dedicate this book to him.

## *President's Message*

To All Modern Pioneers of L.C.C.:

The spirit of the true modern pioneer is well expressed in the scripture, "Lift up your heads and look . . ." To us this means that we see the opportunities and accept the challenges of our generation.

The advancements in improved living standards, discovery of new drugs, the lengthened life span, the blessings seen in the application of the atomic sciences to peaceful purposes, and the harnessing of the rocket to travel, all have meaning to us in life here and to our work of preparing both ourselves and others for eternity.

To those who leave L.C.C. as its first class to enter other colleges for more advanced training we urge the continuation of this spirit of research and dedication to excellence. We owe you a degree of gratitude that is beyond words. You have set high standards which will challenge oncoming classes to excel. Your Christian ideals and dedication to the noble and pure have begun traditions which we will work to pass on to each class. For all of this we are deeply grateful.

Remember L.C.C. Give her the benefit of your advice as you advance in wisdom and experience. Help correct her weaknesses and support her needs for she will always remember you and ever stand ready to help when you call. Our personal services are always available to you.

Sincerely,

*F.W. Mattox*

# Citizenship Training Program

The Citizenship Training Program is designed primarily for the purpose of reawakening the public to those facts which have made America great and to develop in Americans a determination to preserve the free enterprise system. This nonpartisan program offers a series of six sessions conducted two hours per week for six weeks to all interested individuals. The basic conclusion drawn is that America's greatness is the result of definable economic, political, and sociological factors which are now in danger. Conferees are kept current of conditions and pressures seeking to destroy our American way of life by outstanding speakers who are brought to this area from time to time.

GEORGE A. ROBERTS  
Director of Citizenship  
Training Program

Dr. Mattox with Congressman Ralph W. Gwinn, nationally known statesman, defender of constitutional government, and member of the House Labor Committee, who spoke on "Labor Control of Government."

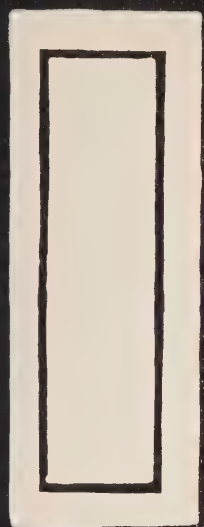

One of the adult educational classes which meets one night each week for six consecutive weeks.

The El Explorador staff began working on the production of the annual on September 18.

Taking pictures, drawing layouts, selling ads, and meeting last minute deadlines kept the staff busy until the last page was completed.

Presentation of the annual favorites at a spring banquet climaxed the year's work for the staff.

The Student Senate of L. C. C. is perhaps the only one with co-presidents, which was the result of a tie in a run-off election. During this year they have attended conferences at Wayland and Abilene Christian. In these meetings student government problems were discussed. The Student Senate believes picking the better parts from constitutions of other colleges and placing them together in a constitution written by our own students is our best hope of a better constitution.

The squad acted as hosts to the Golden Spread Forensic Tournament which was held in Amarillo, Texas. Twenty-one colleges and universities were present at this tournament.

Prospects for next year's squad are excellent. With incoming freshmen added to the present group, L. C. C. looks forward to its most promising year in forensic competition.

The Dramatics Club spent an active second year. In October they presented a one-act play, "The Abstract," written by their sponsor, Mrs. Bearden. In a December chapel program Christmas tableaux were staged in an all-white setting. Members of the group built and painted the stage setting for the operetta, "H. M. S. Pinafore," performed in March. In April the Dramatics Club reached the climax of the year's work when the first major dramatic production at L. C. C. was presented.

Students "explore" the dramatics equipment in the basement.

Music Master membership is limited to members of music ensembles taken from the chorus, music majors, and music minors. The main goals of the Music Masters are to give each person with whom a member comes in contact a better appreciation for music and to spread an ever glowing light of services both through music and in their daily lives. Their main project for the year 1958-59 is to pay for the nine-foot concert grand piano shown in the picture at left. Most of the club's activities are designed to pay for the piano: Master Follies...

**GIRLS' TRIO:** Linda Kelley, Martha Burleson, Ping Carter.

**MALE QUARTET:** Bobby Beale, Bill Austin, Billy White, Truman Harris.

## *Special Music Groups*

The Special Music Groups, consisting of the Girls' Trio, Male Quartet, Sextet, and Octet, were popular groups this year. They made many appearances while traveling with the chorus as well as numerous other appearances both on and off campus.

**OCTET:** Ronnie Stout, Robert Qualls, Nora Boyd, Sue Terrell, Glenda Ganus, Avonell Davis, Don Stence, Joe Coleman.

The A Cappella Chorus, with eighty-five members, is the largest musical group on campus. They presented many concerts in Lubbock and surrounding towns. Several longer trips were made by the group. They also participated in several chapel programs and evening concerts.

## *H.M.S. Pinafore*

The operetta, H. M. S. PINAFORE, written by Gilbert and Sullivan and subtitled, "The Lass That Loved a Sailor," was a production of the first opera workshop. Co-directed by Wayne Hinds and Mrs. June Bearden and presented on March 12 and 13 in the L.C.C. auditorium, the production was double casted for the vocal parts. The entire cast totaled approximately seventy members, including eight principal parts in each cast.

The musical comedy is the love story of a British sailor and the captain's daughter who can't marry because of the difference in their rank in life. A case of mistaken identity is revealed in the end, and the pair are allowed to wed.

L. C. C. formed its first golf team in the spring semester. Four students qualified and wore the blue and white against other colleges in Zone 4 competition.

Players representing the school were Jimmy Lawrence, Jim Woolard, Jay Sherrard, and Walter Still. Virgil Lawyer is faculty advisor for the squad.

The squad's home course is Lubbock's beautiful Meadowbrook Golf Course, one of the finest in the Southwest.

SOPHOMORES

### *Sophomore Class Officers*

The Sophomores, perhaps better known as "Seniors," started their last year at L. C. C. with the election of class officers. They chose TOMMY CLAY to serve as President, with J. D. KEY filling the office of Vice President, and NORA BOYD as Secretary. Though greatly outnumbered by the Freshmen, the Sophomores seemed to be everywhere. After having the honor last year of being the first class at Lubbock Christian College, they held the honor of being the first sophomore class this year. The highlight of the year for them was, of course, graduation in May.

FRESHMEN

### *Freshman Class Officers*

The Freshmen, not to be outdone by the many "firsts" of the Sophomore class, were the largest class at Lubbock Christian College this year. Despite the friendly rivalry between the classes, they were both "one big happy family." The Freshmen got into the spirit of the school immediately and became a part of L. C. C. They chose GRADY PRESTON for President and BOBBY BEALE for their Vice President. HELEN HOWELL was elected to the post of Secretary, and SALLIE COSPER served as Treasurer. They will long remember dormitory life, parties, banquets, and other activities of their "first" year at college. BETTYE FITE and LYNDIA HIGGINS were Freshman Representatives.
